

FOREIGN GOVERNMENT TENDERS

February 2007

INTERNATIONAL COPYRIGHT, U.S. & FOREIGN COMMERCIAL SERVICE AND U.S. DEPARTMENT OF STATE, 2006. ALL RIGHTS RESERVED OUTSIDE OF THE UNITED STATES.

The following procurement notices are reprinted with permission from the ADB, from the ADB website at <http://www.adb.org> and appeared for the first time in January 2007.

I. Introduction

This Foreign Government Tender report from the US Commercial Service Office, Asian Development Bank (CS-ADB) augments the series of regular monthly reports, which give U.S. exporters advance information of Asian government tenders. The focus of this report is on the national procurement initiated both in advance, ongoing ADB procurement and recruitment of consultants for projects financed by the ADB.

To bid on the projects included in this report, U.S. firms may send their Expression of Interest (EOI) directly to the executing agency listed on the procurement notice. Details of the bidding procedures are stated in the bidding documents issued by the executing agency or otherwise stated in the procurement notice.

U.S. firms are encouraged to keep in contact with the CS-ADB especially when they decide to participate in the procurement activities in ADB. This office works closely with the Office of the U.S. Executive Director (US/ ED) to the ADB to increase American awareness of, and participation in, the ADB's procurement activities.

II. Advance Action on Recruitment of Consultants

Tajikistan: Rural Development Project

Name and Address of Executing Agency:

Ministry of Agriculture
44, Rudaki Avenue, 734025 Dushanbe, Tajikistan
Tel: (+992 372) 221-15-96; 221-12-95; 221-10-94
Fax: (+992 372) 221-57-94

Brief Description of Project:

The Rural Development Project takes a holistic and coordinated approach to rural development to address problems and constraints, enhance opportunities, and integrate agriculture more effectively into the rural economy. The Project will focus on five contiguous *raions* (districts)- Faizabad, Rogun, Rudaki, Vahdat, and Varzob-located around the capital, Dushanbe.

The Project will –

- i. address land use security;
- ii. develop policies and strategy for more effective pasture land management and capacity development;
- iii. improve the administration and institutional aspects of business development;
- iv. address the capacity and technical aspects of degradation of arable, pasture, and forest lands;
- v. establish independent agriculture and rural business advisory services;
- vi. establish an effective market information system;
- vii. provide microcredit; and
- viii. improve rural infrastructure in communities and regions.

This is the first ADB-financed project to be implemented by the Ministry of Agriculture.

The Project has five components:

- i. Policy and Institutional Development and Reform;
- ii. Sustainable Land Management (pasture, arable, and forest);
- iii. Agriculture and Rural Business Support;
- iv. Rural Infrastructure Development; and
- v. Project Management.

Brief Description of Consultants Services to be Procured:

The consultants will be selected under separate consulting-firm contracts:

- i. Project Management Unit
- ii. Sustainable Pasture, Arable, and Forest Land Management
- iii. Improved Capacity for Effective Land Management
- iv. Agriculture and Rural Business Support
- v. Market Information System

Please refer to the terms of reference for the consultants.

IV. General Procurement Notices

Mongolia

Loan 2301: Urban Development Sector Project

The Government of Mongolia has received a loan from the Asian Development Bank (ADB) towards the cost of the Urban Development Sector Project. The loan was approved 19 December 2006.

The Project will improve the living conditions and quality of life of the urban population in the project towns. Specifically, the Project will upgrade basic urban services, urban roads, and on-plot facilities. The Project has four components:

- A - improvement of basic urban services,
- B - urban road improvement,
- C - small loans for water connections and on-plot facility improvements; and
- D - institutional development and training.

Procurement

ADB-financed civil works, equipment and materials will be procured in accordance with ADB's Procurement Guidelines (April 2006). Major contracts for equipment and materials will be tendered through international competitive bidding, national competitive bidding, or shopping procedures, depending on the contract amount. Civil works contracts will be procured through national competitive bidding or international competitive bidding.

The Project will procure pipes and fitting and pumping equipment.

Consulting Services

The Project will require about 195 person-months of international and 82 person-months of national consulting services to support the PMU and PIUs in project implementation and management, the feasibility study for the urban road improvement component, detailed design and survey, institutional development, and education and training. The ADB loan will finance 31 person-months of international and 82 person-months of national consultants.

The international consultants will have expertise in

- project management and procurement,
- finance and microfinance,
- institutional development and financial management, and
- sanitation.

The national consultants will have expertise in

- resettlement;

- environment;
- legal aspects;
- database development;
- financial management;
- construction supervision, feasibility studies for the remaining subprojects under component B, and detailed designs of components A and B.

The consultants will be selected and engaged in accordance with ADB's Guidelines on the Use of Consultants (April 2006 ,as amended from time to time). All international consultants and the national consultants for project management will be selected and contracted individually. National consultants for feasibility studies and detailed designs will be selected and contracted as firms using ADB's quality and cost-based selection procedure among short-listed national consulting firms.

German development cooperation through the German Development Service (DED) will provide 144 person-months of long-term international experts in community engineering (2 positions) and community development and training. German development cooperation through the German Agency for Technical Cooperation (GTZ) will provide a maximum of 20 person-months of short-term experts.

These experts will be assigned at the PMU and PIUs, and guided by and report to the respective PMU and PIU directors. DED and GTZ will select these experts in accordance with their own guidelines.

Interested bidders from ADB's member countries who wish obtain additional information may contact:
